Patna, Date- 12/08/25

CORRIGENDUM No.-02

With the reference to Notice Inviting Tender No.- 13/2025-26 & 14/2025-26 through various News Paper- PR No. -10489 (B&C) and 010469 (B&C) 2025-26 respectively and through e-tendering website:- www.eproc2.bihar.gov.in/www.bseidc.in the following amendments have been made :-

Sl. No.	Existing Provision (Clause as per bid document)	Bidder Queries	Amended Provision
1	Bid Capacity	<p>Queries from Genc infra tech LLP, Sunshine Construction and Developers Pvt. Ltd., Parbhat Ranjan, Chinmay Kumar, RISIPL & Puja Sales and Service Participated in Prebid meeting and requested revise the value of N in the bid capacity formula (3AN-B) to 1 for the said tender. The completion period for the tender is 2 and 3 months and as per current calculation, the actual value of N for 2 and 3 month duration significantly reduced the bid capacity of potential bidders.</p> <p>In order to wider participation from bidders and ensure competitive bidding, it would be beneficial to fix the value of N at 1. This adjustment will prevent the bid capacity from being unnecessarily restrictive for the bidders and help facilitate the smooth execution of the tender process. Your consideration of this request will be greatly appreciated.</p>	<p>The Bid capacity = 3AN - B. Whereas A=Highest turnover in the last 5 years, N= Duration of construction in years and will not be less than 1 even though the duration of construction is less than 3 months.</p> <p>B=value of Existing commitment & On-going project for during the project duration.</p>
