Pre Bid Meeting Proceeding of NIT-16/2025-26 on Dated- 27.08.2025

1. Name of Work- Development of Hybrid Smart Classroom and ICT Lab at Different Colleges and University in Bihar under PM-USHA scheme. Sr No- 03

Sr No	Name of Agency	Query	Request for Amended	Remarks
1	HP India	Wireless Connectivity : Intel WIFI 6 + BT 5.0 (Should be replaceable, Not Soldered on motherboard)	The description mentioned here is not the standard way to describe WiFi module. Instead the standard way is to describe is that it uses an M.2 slot specifically designated for WLAN modules plugged into the PCIe slot on the motherboard	No Changes
		Monitor Size : 21.5 INCH TCO 10 with Dual Internal Speaker (Same PC OEM)	Latest TCO is 9.0 and so any standard tender usually ask for TCO 8.0 or higher. Also speaker is already available in Computer chassis and so asking speaker again on monitor is irrelevant here.	No Changes
		MII : Class I - 51% or Higher	Government of India has classified MII in either class I and Class II. Asking for only Class I is very restrictive and not allowing class II MII machines	No Changes
		Cabinet : MT Chassis (Minimum 20 LTR or higher ) with minimum 250 Watt or higher SMPS	The description mentioned here is wrong and lower the chassis volume is better the machine. Now a days chassis are compact in size and standard tower volume are 17 ltr or less. Also standard power supply of the desktop is 180 Watt. The parameters like higher chassis volume and 250 Watts are specific and restrictive	No Changes
		1VGA, DP and 1 HDMI Port, or Higher	All the three ports are not available in many desktops and VGA ports is analog and outdated and not used any more in many devices. HDMI and Display Ports are digital and most of the devices comes with this port only	No Changes
		Expansion Slot: 4 SATA Ports	This is an error and SATA ports are not called expansion slots. Expansion slots are PCIe and M.2. Moreover there is contradiction as you are asking for SSD but here you are asking SATA ports and machines comes with either 1 or 2 SATA ports. Kindly rectify	No Changes
		Certifications: MET	This is a restrictive and specific points as MET is not available with all. MET Laboratories is a U.S.-based Nationally Recognized Testing Laboratory (NRTL). It provides product safety testing and certification, similar to UL (Underwriters Laboratories) which means It has been independently tested for electrical safety.	No Changes
		Intel Core i5, 13th Generation	AMD processor has not been allowed here. Request you to please include AMD also	No Changes
		Graphics Output : HDMI out	The description mentioned here is wrong and correct line is suggested	No Changes
		10. OEM is required to submit the supporting documents to confirm that OEM has minimum 40+ OEM Authorized Service 13. Built-in responsive OEM own AI Support like circle to search or similar	The lines mentioned here is incomplete and irrelevant because in the same document, you have asked for 2 service centre and OEM Warranty	No Changes
2	Agmatel	Documentary Proof of executing single order of at least 5000 units with completion certificate	Kindly increase the Computer OEM turnover requirement to 500cr to match its value in the project.	No Changes
		ITP and Computer OEMs should have average annual turnover of 500 cr and 100 cr respectively (FY 2021-22, 2022-23, 2023-24)	Kindly increase the Computer OEM turnover requirement to 500cr to match its value in the project.	No Changes

*[Signature]*

	OEM to submit undertaking of not being involved in bankruptcy and proof of 40+ authorized service centre	Kindly align both clauses to avoid contradiction, revise either point 10 or 16 for consistency	No Changes
	OEM should have experience executing similar projects with Pos of IFPs from Govt. organizations in the last 6 Years	Kindly clarify whether experience/license is required for 5 years or 6 years	No Changes
	Built-In responsive AI support by OEM like "Circle to search" or similar	Kindly Specify the functionality required under this clause for better understanding	No Changes
	Built Specific MAF/ Certificate must be submitted for all products; OEM can issue only 3 authorizations	Kindly revise or remove the "3 authorizations Only" limit to allow wider participation"	No Changes
	IFP, OPS, Camera, and Podium should be Sourced from the same OEM (preferred)	Kindly remove this clause to allow participation from multiple quality OEMs.	No Changes

2. Name of Work- Construction of New Library Building (B+G+7) at S. N. Sinha Library Campus, Patna, Sr No-04

Sr No	Name of Agency	Query	Request for Amended	Remarks
1	Adyaraj Developers Pvt Ltd	SBD Page 9 Clause No- 4.5© : Façade HPL Work of 135.15 lac has been asked as a criterion.	Façade of GRC and Structural Glazing must be ask as a criteria.	No Changes
		In the NIT, Description of Similar Works (Building) means: Construction of Multistoried RCC framed structure of Institutional/ Asseby/ Buisness Building having G+3 Storied for State govt/Central govt/PSU in India only"	Constrution of New library Building (B+G+7) at S.N. Sinha Library Campus Patna. It is observed that the building will be built B+G+7	No Changes
